HELPED TO KEEP DOWN THE RESISTANCE
UNDER THE MARK OF THE GESTAPO

VICTIMS OF THE MILICE
IN THE NAME OF RACIALISM, HITLER CLAIMS TO JUSTIFY HIS POLICY OF EXTERMINATING THE JEWS.

"Continue the war until all the Jews have been obliterated from face of the earth."

From the moment that one can convince minds of the primary rationalism by unmasking the misdeeds of the Jews, then a movement follows properly and rapidly. Step by step one comes to the destruction of the old economic and political order and approach the new ideas of biological politics.

"The Jewish question is the dynamite with which we shall blow up the hide-outs where are barricaded the last of the liberal "true" Turists".

"The peoples who deliver up their Jews shut, at the same time Jewish's false ideal of liberty. Only then can they be guided in the struggle for a new world."

BIG FOUR PUT NAZIS ON TRIAL

The United Nations, at the formal opening of the "War Crimes trial" in Berlin on Thursday October 18, indicted not only 24 of Germany's leaders, but also the millions of members in seven leading Nazi organisations. In one hour the crowded court heard the indictment naming the men and the organisations that Britain, U.S., Russia and France accuse of being outstandingly guilty of causing the second world war.
